FCN treaty.

Re Dept's A-76, June 2, accepting JG reservation privileges extended Koreans, ex-Jap natls.

JG now wishes amend original proposal deleting specific mention Koreans. New JG reservation reads "the MFN treatment provided in the present treaty shall not (rpt not) apply with respect to those rights and privileges which are or may hereafter be accorded by Jap to the persons who originated from territories to which all rights, title and claim were renounced by Jap in accordance with Art 2 of the treaty of peace". Emb recommends acceptance.

Re Dept's A-70, May 29 and possible JG extension privileges to Ryukyuan natls, products. JG desires clear understanding its right extend such privileges solely to Ryukyu Islands group notwithstanding MFN provisions treaty, particularly re customs, import and export regulations, vessels and entry natls. JG proposes formal exchange notes in lieu its press statement first discussed but Emb prefers protocol reservation, altho JG not (rpt not) informed this preference. JG proposes fol wording: "It is understood that, notwithstanding the provisions of this treaty relating to MFN treatment, Jap is not (rpt not) obligated to accord to the natls and vessels of US the treatment which may be accorded by Jap to the native inhabitants and vessels of such areas as are set forth in Art 3 of the treaty of peace. It is further understood that the MFN provisions of this treaty relating to the treatment of goods shall not (rpt not) apply to advantages which may be accorded by Jap to such areas". Emb suggests Dept consider protocol reservation along lines proposed.

Informal talks now concluded and FONOFF clearing final points with other JG agencies for earliest identification formal negot issues. Emb therefore urges prompt reply previous tels in order reduce number pending questions.
